Reasons for Allowance

The following is an examiner's statement of reasons for allowance. The prior art of record does not show or suggest the present method for making a dough based snack chip having raised surface features comprising (a) from about 12% to about 40% large surface features, (b) from about 20% to about 40% medium surface features, and (c) from about 25% to about 60% small surface features, wherein the dough based snack chip comprises one or more gelatinized regions as set forth in claim 1.
